TIMELESS COLLECTION™

The Timeless Collection is a unique fragrance experience created to be the perfect antidote for today's frantic lifestyle.

Fond memories of great times in our lives are precious. The echoes of a child's laughter while building sandcastles at the seaside. The nervous anticipation of a first kiss or the remembrance of watching a beautiful sunset, the vibrant colours of which remain etched in your mind.

We have brought together this memorable range of fragrances for you to enjoy. Relax as waves of nostalgia wash over you, allow your thoughts to wander blissfully to the special days in your life and re-live the times you hold close to your heart.

Fragrances

NEW Celebration

Let the celebration begin with the familiar sound of corks popping, as joy and laughter fill the room. The sparkling accord of green apple, pear and tangy white wine blended with base notes of musk create the perfect celebratory fragrance.

Seaside Holidays

Soft marine notes blend together with a cool hint of sea air to create a nostalgic fragrance that transports the mind and spirit back to the harmony and simplicity of a day on the beach.

First Romance

The first delicate kiss, sweet and innocent, the excited laughter and the beautiful intoxication of young love are personified by the aroma of 'First Romance'.

In The Park

Sunshine warms grass and gently caresses wild flowers that grow just out of reach of the shadows of large trees. Sitting on the bench the view lifts your spirits and brings peace to your day.

Blissful Sundays

The warming aroma of vanilla and mimosa are blended into a homely fragrance that captures the feelings that your favourite lazy pastimes and creature comforts bring to you on this special day of the week.

Cottage Garden

Transport yourself to those precious moments in your own natural space with the fragrance of 'Cottage Garden'.

Daydreams **New Colour & Fragrance**

Lose yourself in a daydream, basking in the dreamy indulgence of your own thoughts. Soft notes of lavender enhanced with fresh eucalyptus gently swirl around you.

Baking Day **New Colour & Fragrance**

The sweet aroma of cupcakes baking in the oven and biscuits cooling on the cooling rack, dusted with a delicate sprinkle of vanilla sugar, bring back the joy and love of the family kitchen.

Rainy Days

Capture the natural clean fragrance of nature's showers in the harmony of your own home with the beautiful scent of 'Rainy Days'.

Spring Clean

The touch and smell of fresh clean towels, the feel and aroma of freshly washed linen on a large bed. Sunlight pours through the window of your home warming the flowers on the window sill.

Bath Time

Steam fills the senses and brings with it the warm purifying fragrance of lavender and citrus for the perfect bath. Relax, breathe deep and wash away the day with 'Bath Time'.

Exotic Escape

Pineapple, coconut and passion fruit blend together in a tempting fragrance that transports the imagination to a deserted beach, a favourite holiday or tropical daydream.

Warm Embrace

Gentle smiles, soft laughter, kindness and love are embodied in a warm blend of amber and vanilla. Be still and secure in the deeply comforting aroma of 'Warm Embrace'.

Before The Party

'Before the Party' uses a delicate floral bouquet of sweet pea, rose, and sweet vanilla to capture the gentle ritual of getting ready for special times.

Summer Tea Party

Cream cakes and home made lemonade with friends enjoying the warm sun. Capture those fun filled moments with uplifting notes of soft summer jasmine, delicate rose and warming musk.

Day At The Spa

Treat yourself, relax and unwind your body, mind and spirit with the fresh airy fragrance reminiscent of a day spent at the spa.

Sweet Shop

Surround yourself with the sweet powdery notes of juicy raspberry, plum, and peach, sprinkled with frosted vanilla and reminisce those fun childhood moments.

Bedtime Stories

Snuggle in and let the sweet, calming scent of mandarin and lemon wrapped in soft rose and delicate jasmine soothe and calm you.

NEW Under The Tree

It's Christmas morning, the room is filled with excitement and anticipation of opening the beautifully wrapped presents. Let this juicy combination of sparkling cranberries and exotic pomegranate infuse the air with the spirit of Christmas.

NEW Let It Snow

The anticipation of laughter and fun to be had in the freshly fallen snow. Let the sparkling blend of cedar, sandalwood and crisp winter air fill you with joy.

NEW Christmas Cracker

Mulled wine is simmering on the stove and a beautifully laid table with the all important Christmas cracker waiting to be pulled. Let the anticipation begin with the sumptuous spicy blend of cinnamon and clove with fresh sweet orange top notes.
